

# Spare Parts Kits - RELIABLE DESMI CONCEPT

DESMI Genuine Spare Parts Kits for Simple Overhaul and Service

DESMI provides spare parts kits for easy and simple maintenance and overhaul of your pumps. In order to simplify overhauling of your pumps DESMI offers a variety of spare parts kits for the following DESMI pump series:

- MODULAR S
- SA
- NSA
- NSL
- DESLUBE
- DSL
- ESL
- PVLN
- ROTAN®
- VAC
- SCRUBBER
- CHOCOLATE
- BWMS (Ballast Water Management System)

For other DESMI pump series, please state pump type and serial number.

To determine which spare parts kit you need and to provide you with the best service, we need you to supply us with the following information:

- **Pump type (e.g. NSL 150-265)**
- **Serial number (e.g. 323249 or 30192-1)**

When you contact our professional support team, we can assist and help you to find the right spare parts kit and make your overhaul easy and trouble-free.

DESMI recommends the spare parts kit including replacement spare parts for overhaul and service.

#### Benefits:

- Easy and convenient parts purchase
- Most spare parts kits cover more pumps (same spare parts kit)
- DESMI ensures correct parts every time
- Good overview of your Spare Parts Stock
- Minimised downtime
- Special tool is included
- Day-to-day delivery
- Saving time and money

DESMI maintains a complete inventory of spares and can generally ship within 24 hours.

#### Spare Parts Kits include:

- Mechanical shaft seal
- Special tool
- Bearings
- O-rings
- Gaskets
- Washers & nuts
- Item list
- Etc.

# DESMI

# How to identify your DESMI pump

A DESMI pump is always provided with a name plate for identification.

The name plate can be a sticker or a metal name plate.

Please state pump type and pump No. (serial No.) when ordering spare parts or Spare Parts Kits

Pump no. (serial no.) is punched into the flange of the pressure side.
