DESMI Foundry facilities

In 2011 we established a foundry in Xuancheng, DESMI Pumping Technology (Xuancheng) Co., Ltd., a fully owned subsidiary of DESMI A/S.

Back in 1834 DESMI started as a foundry and now many years later we again have a foundry, and this time situated in China. The DESMI supply chain is complete!

Our foundry delivers:

- Goods produced according to DIN 6784, EH 1982:1998
- Lean production, ensuring quick production and delivery
- Efficient and trained workers
- Laboratory quality check
- ISO 9001 verified by BV, BV Mode II
- Full traceability on all castings

For more information about DESMI, please visit www.desmi.com
DESMI supplies pumps and pumping solutions both locally and globally.
